

Homestead Women's Recovery, Inc.

PROGRAM COMPLETION CRITERIA

Upon completion of the Homestead Women's Recovery Program, a Certification of Program Completion will be given to the resident as well as any law enforcement agencies as required. Completion certification requirements are:

- Successfully completed all phases of the Homestead program as explained in these documents. This is a twelve month program. However the program may take longer to complete if the resident has relapsed.
- All financial obligations to Homestead Women's Recovery must be paid
- Complete Steps 1-8 of the 12-Step program with your sponsor while at Homestead
- Provide the Clinical Team with a plan for living in a clean and sober environment
